Essex Marching Corps 10 Dobsons Close, Rayleigh, Essex, SS6 7NZ

What is the Essex Marching Corps?

The Essex Marching Corps is a youth marching band. We rehearse in Benfleet and have members from all over Castle Point, Basildon, Rochford and Southend.

The band is completely self funded and so works very hard to raise funds all year from performances and fundraising events.

The EMC Lucky Lotto helps to raise funds that we then invest back into the unit, helping to continue our good work. It is a fun way for you to support the corps, and possibly win a bit of money at the same time!

How does it work?

It costs £2 to join the E.M.C Lucky Lotto. This will provide you with a unique numbered ball in the scheme. You will receive a certificate to show that you are part of our lucky lotto.

It then costs £1 per monthly draw. We ask that you pay £12 per year in August to cover the draws from 1st September to 1st August. You can join mid-year, just pay for the remaining draws up until the end of August.

The draw is made at the band's first rehearsal of the month, in the Central Gym, King John School, Shipwrights Drive, Benfleet. You are more than welcome to come and watch the draw, just contact us so we can let you know what date the draw will be.

The prizes are as follows:

- 1st Prize.....35% of all £1 entries in the draw
- 2nd Prize.....15% of all £1 entries in the draw
- 3rd Prize.....10% of all £1 entries in the draw.

Prizes are sent by cheque to the winners the following day.

The more people in the draw, the larger the prizes!

How to Join the Scheme

To join the Essex Marching Corps lucky Lotto please complete the form below and then return it to us either by post to the address below, or if you prefer to any officer of the band or Support and Welfare Team.

You will be entered from the next draw after your application is received.
If you would like to purchase more than one unique ball number please photocopy this form and send both to us together.

Thankyou very much for your support.
